AgriSoko Pocket G11 - Feedback Status

Group G11 | Version 1.0.0 | 23 October 2026

Feedback collected

No external user feedback is included in this evidence package. User interviews, usability sessions, and consented tester feedback were not conducted during this integration pass.

Interpretation

This document records feedback status; it is not a positive user evaluation. Any future feedback summary will reflect the participant-approved notes and the sessions actually completed.

Current status

External user testing and feedback collection remain outstanding project evidence.
